

Camp dates 2012 and prices

Because of the acclimation period and the constantly changing wave conditions, we recommend a two-week stay at the Maximum Surfcamp.

Prices

New: reduced prices for groups (for classes) of 3 and more: you get 1% off for each person, e.g. 3% off each for groups of 3; 4% off for groups of 4 etc.

You can also book inbetween the dates, but we recommend to book the shown dates.

With accommodation
